Betty Ann McCullough Education Seminar And Convocation Grant

The Betty Ann McCullough Education Seminar and Convocation Grant serves to provide funds to public and private schools in Gibson County for the purpose of hosting educational seminars and convocations to enhance the knowledge and skills of Gibson County educators (teachers, teacher's aids and assistants) in science, mathematics, and language arts.

The Betty Ann McCullough Education Fund was created in 1998 in order to support educational endeavors in Gibson County. After Betty Ann McCullough's death in 1997, friends and family created the fund in memory of Mrs. McCullough, who had been an educator for the North Gibson School Corporation for more than 40 years, had taught at Oakland City University, and was a strong supporter of education in her community. Along with a number of civic memberships, McCullough was a member of the Gibson County Community Foundation board of trustees before her death.
